

FNQ SUICIDE PREVENTION WEEK 2022

NAME OF EVENT: SUICIDE PREVENTION IS EVERYONE'S BUSINESS

WHERE: Let's show the community that suicide prevention is everyone's business by attaching a bumper sticker to your shop front window.

WHEN

Awareness is important at any time, but the stickers can be attached to your window during FNQ Suicide Prevention Week for wider impact.

THE INITIATIVE

In these ever changing and troubled times of Covid-19, suicide awareness and prevention is a priority of the FNQ Suicide Prevention Taskforce. Very soon a sticker will be distributed to stores within shopping centres and to cafes in the Cairns area for display during FNQ Suicide Prevention Week. The sticker image is a ribbon stating "Suicide Prevention is Everyone's Business".
